

Caddo Lake group holds fundraiser to combat invasive plant

Sept. 4, 2016 at 4 a.m.

KARNACK - Residents were treated to the succulent smells of barbecue and beans while gazing at the beautiful vista of Caddo Lake Saturday at the Greater Caddo Lake Association's annual Labor Day barbecue fundraiser.

GCLA memberships and a silent auction were available for those who came out to Crip's Camp. This is the major fundraiser the group hosts to help fight the invasive plant, giant salvinia, on Caddo.
